When I was young
I awoke to find myself
staring at the clock
Watching the hands move so slowly,
Dreaming of a day that I would be free,
When I could eat all the ice cream I could hold, and stay up as late as I wanted.
Now the clock hands move all too quickly.
The months turn to days,
The days to hours,
And each rising sun
Pushes me closer to the confusing adult world.
The pale morning light fills me with fear
That my youth will be stripped away,
Leaving me naked and vulnerable
In a droll land of grown-ups,
My innocence hanging on a coat rack.

PACE ART

These talented and gifted art students worked one day a month with art students from other area high schools. This year they explored the use of color as an element of their environment and learned how to use it more effectively in their art work.

They also learned to use pastels as they worked from still lifes and from nature. In the spring, they attended the Scholastics Art Exhibit in Kingsport where Melinda Marshall's pastel drawing of a seashell won a Gold Key Award before it went to national competition.

We are involved each year in several projects that are designed to help us serve both the school and community. One activity we do is taking up money for the JV football games and selling concessions at girls basketball games. During Christmas time we work alongside the Kiwanians selling Christmas trees and helping prepare and deliver fruit baskets to the needy. On Valentine's Day we sponsored the Key Club Sweetheart Dance. In April we attended the Kentucky-Tennessee District Convention in Louisville, Kentucky. We would also like to thank our sponsors, Mr. Taylor, Mr. Potter, and the Kiwanis Club.

YOUNG WRITERS

Norman Scott

Carey Bumgarner

Brad Davis

Young writers is a select group of students from Wise County Schools that meet for two weeks in the summer and once every month for the following school year. This past summer the Young Writers read three books and did many activities centered around them. They also took field trips to Biltmore House, Ramsey Trade Fair in Norton, and Barter Theatre.

PRESIDENTIAL CLASSROOM

Founded over twenty years ago, Presidential Classroom prides itself on the diversity of its students and high caliber seminars. During the seven day course, the entire D.C. area is utilized as a "classroom" offering a world of opportunities.

VALHALLA STAFF

Britt Dowdy, Moral Support; Norman Scott, Editor; Amy Wilson, Co-Editor

Cindy Fafin, Sports Editor

Considering that the circumstances under which the yearbook was put together were a little odd this year, we thought that it would be fitting for the "Valhalla Staff" page to contain a few oddities itself. We present to you a few bits of interesting trivia. All the material used in the yearbook was transported to at least five different places at least eight different times. Food consumed by the staff included Ramen noodles, pizza, tons of mints, homemade chocolate chip cookies, and trail mix which was eventually abandoned after the cat stuck his nose in it. Extreme, Lenny Kravitz, Terence Trent D'Arby, the Eagles, and the soundtrack of **Jesus Christ Superstar** provided our musical entertainment. The only things that slowed us down, other than general laziness, were two cats, a stinky dog, and the exterminator who made us listen to his stupid jokes. Also, one of our lamps fell six times, requiring a new bulb each time, which was quite a pain as one would imagine.

We would like to thank Amy Wilson for her considerable all-around work and help. Cindy Fafin took over the enormous task of the sports section, and Melinda Marshall took the main responsibility for selling advertisements. Britt Dowdy provided moral support, not to mention the Lenny Cravitz tape. Amy Franklin compiled the Senior Directory, and Misty Miller, Nakina Smith, Christy Fugate, and Kellie Dorton all helped with yearbook sales, ads, and other general items. Ms. Cox, our adviser, was also of immense help around the clock. She can be credited with most of the pictures, as well as Shelia Slemp and Louise Lane, and many others. Last and most likely least, we'd like to thank Grace Scott for the use of her refrigerator and several of the rooms in her house for slouching around in and piling up junk in.

Let us say that in the hectic and trying hours of the yearbook production, there could conceivably have been some mistakes. We apologize. We hope this yearbook will serve as a warning to any future yearbook staff who tries to put it off until the end of the year.

WEST SIDE STORY

HERE COME THE JETS . . .

. . . THERE THEY GO.

TONY AND MARIA

"LOOK MA, I CAN FLY!"

"¡OLÉ!"

"PUH-LEEZE?!"

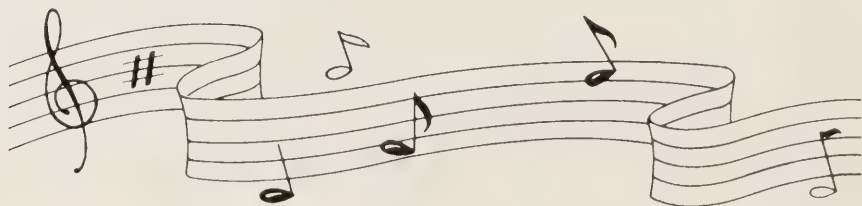

"The rain in Spain falls mainly in the plain."

What we have once enjoyed
we can never lose.
A sunset,
A mountain bathed in moonlight,
The ocean in calm and in storm.
We see these,
Love their beauty,
Hold the vision in our hearts.
All that we love deeply
becomes a part of us.

Helen Keller

Mr. James Daugherty . . . To some he was a devoted preacher, to others he was a talented choral director and musician, but to us he was a friend. We can never thank him enough for all the things he did and all the gifts he brought to us. Thus, we dedicate this page in honor of Mr. Daugherty, his love of music, and his dedication to his students.

GOD OF OUR FATHERS

God of our fathers whose almighty hand
Leads forth in beauty all the starry band,
Of shining worlds in splendor through the skies
Our grateful songs before Thy throne arise.

Thy love divine hath led us in the past;
In this free land by Thee our lot is cast;
Be Thou our Ruler, Guardian, Guide, and Stay,
Thy word our law, Thy paths our chosen way.

From war's alarms, from deadly pestilence,
Be Thy strong arm our ever sure defense;
Thy true religion in our hearts increase,
Thy bounteous goodness nourish us in peace.

Refresh Thy people on their toilsome way;
Lead us from night to never ending day;
Fill all our lives with love and grace divine,
And glory, laud, and praise be ever Thine.

Boy, what a year . . .

We had a wall;

it was torn down.

We had a war;

it was won.

And now we have an earth;

but with a little work,

we can clean it up, too.

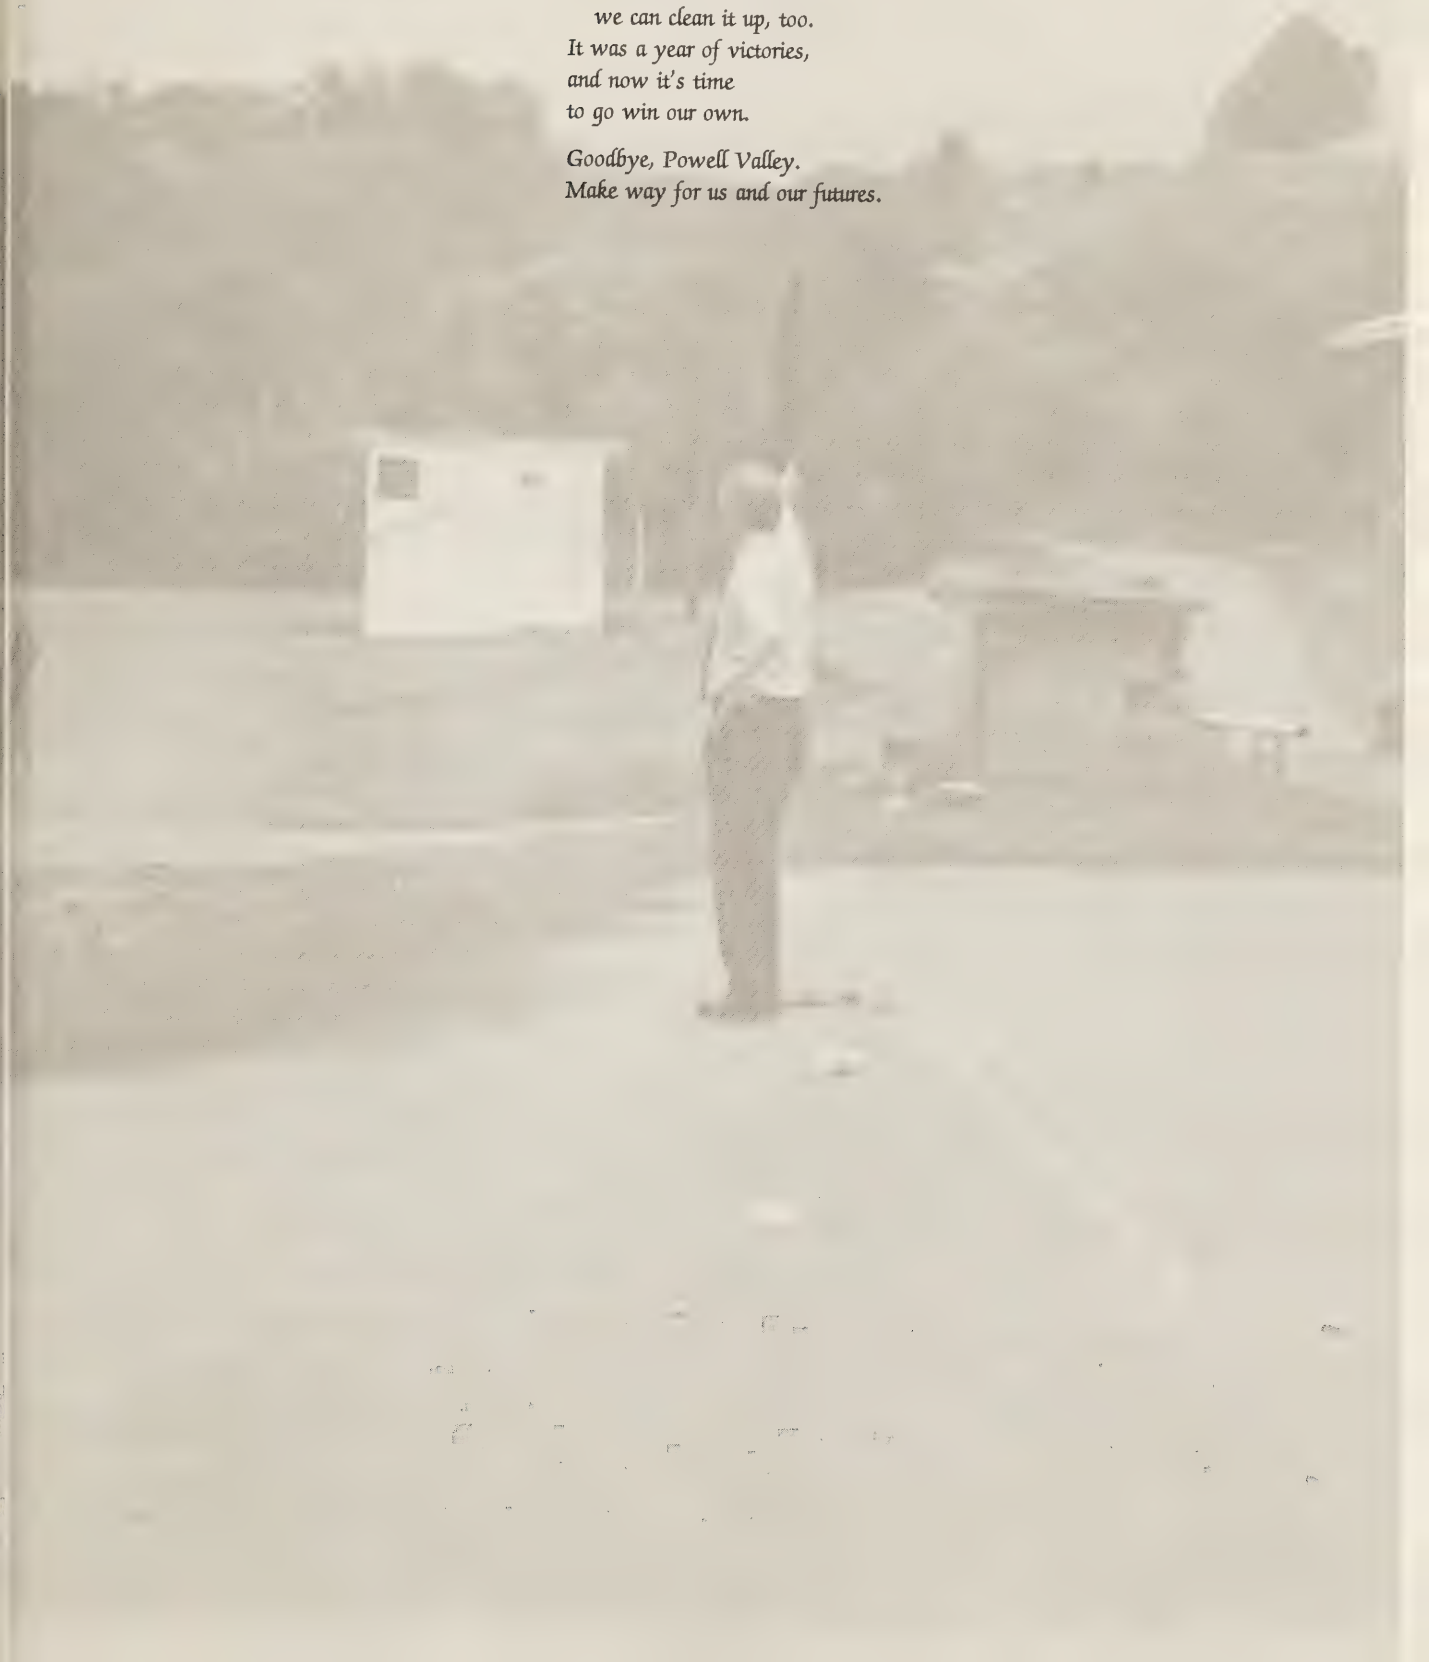

It was a year of victories,

and now it's time

to go win our own.

Goodbye, Powell Valley.

Make way for us and our futures.
